Dear NCA Member

With the sequester now in effect, the budget of the National Endowment for the Humanities is slated to be cut by approximately $60 million over the next ten years. Title VI potentially stands to lose an additional $36 million from its already decimated budget over the same span. Other federal funding for the humanities will be cut by similarly significant amounts. As members of NCA, we should all be concerned about the impact of these cuts on communication scholarship and teaching across the nation.

Now is the time to urge your elected officials to replace the sequester with a balanced approach to deficit reduction that will preserve crucial investments in humanities programs. Please act now to preserve humanities funding.

Click here to send a message to your representative and senators today. Thank you.

Sincerely,

Steven A. Beebe
NCA President
