For the book award, please send a PDF version of the book to Jimmie Manning at [jimmiem@unr.edu](mailto:jimmiem@unr.edu) along with the nomination letter. If a PDF version of the book is not available, please contact Jimmie to learn how you can submit your work for consideration.

For the special issue, please send the nomination letter to Jimmie Manning at [jimmiem@unr.edu](mailto:jimmiem@unr.edu). He will be in touch about how to submit the work for review by the committee.

Finally, for the Career Awards, submit one letter of nomination (self-nominations are allowed), a current curriculum vita, and up to 3 pieces of scholarship or artistry that represent the candidate's full body of work. As a matter of fairness, please do not submit any extra materials. Winners for these awards are selected primarily based on outstanding contributions to ethnographic scholarship and artistry, although teaching and mentoring as well as service related to ethnography are also to be considered.

**Although any NCA member may nominate a work, the authors of the nominated works must be registered members of the Ethnography Division at the time of nomination and at the time of receiving the award.**

**All nominations and supporting materials must be received by July 1, 2022.**
