## Guest Speaker Registration Policy

A guest is a person invited by the Association whose presence will enrich the entire convention. A guest speaker would not normally attend the convention, works outside the discipline, and is not an NCA member or ever held an NCA membership. Guest speaker registrations are approved by the NCA First Vice president. Please complete and return this form via email to [kyednock@natcom.org](mailto:kyednock@natcom.org) by October 11, 2020.
