

1 **High School Communication Education (Speaking, Listening, & Media Literacy) as a**  
2 **Graduation Requirement**

3  
4 *Adopted by Legislative Assembly, 2010; Revised, 2012; Legislative Assembly reaffirmed with*  
5 *edits, 2017.*

6  
7 The National Communication Association ([NCA](#)) supports the inclusion of communication  
8 education as a graduation requirement from the nation's secondary schools and stresses the  
9 importance of using appropriately trained teachers ~~to teach communication education~~.

10  
11 The National Communication Association will develop communication education resources and  
12 a strategy to promote these resources, including curriculum development and implementation.
