JANUARY 2025

A LETTER FROM THE NATIONAL OFFICE

DEAR LAMBDA PI ETA CHAPTER ADVISOR:

On behalf of the National Communication Association, we wish to offer our deepest thanks and gratitude for your work as a Lambda Pi Eta (LPH) chapter advisor. LPH has more than 500 chapters, which means over 500-chapter advisors working diligently to organize chapter meetings, inspire students, and help members succeed, academically and professionally. It is through your hard work that LPH has grown to have the national presence it does today.

The goals of Lambda Pi Eta are: (1) to recognize, foster, and reward outstanding scholastic achievement in Communication Studies; (2) to stimulate interest in the field of Communication; (3) to promote and encourage professional development among Communication majors; (4) to provide an opportunity to discuss and exchange ideas in the field of Communication; (5) to establish and maintain closer relationships between faculty and students; and (6) to explore options for graduate education in Communication Studies. We encourage you to read through this handbook and use it as a resource to build a strong and active chapter that engages with its campus and local community.

As an LPH chapter advisor, you will help students reach new academic and professional heights. Your time as chapter advisor will have a lasting influence on your members, and it is our hope that your LPH members will follow your example with their own dedication to achieving excellence in the Communication discipline.

We wish you and your chapter every success in all your endeavors. Should you have any questions about advising your chapter, do not hesitate to contact us. Thank you for your service.

Sincerely,

A handwritten signature in black ink that reads "Jennifer Fletcher". The script is fluid and cursive, with the first letter of each word being capitalized and larger than the others.

ABOUT LAMBDA PI ETA

Lambda Pi Eta (LPH) is the National Communication Association's official honor society at four-year colleges and universities. LPH currently has more than 500 active chapters at institutions nationwide.

LPH became a part of the National Communication Association in 1988, and the association's official honor society in July 1995. It is an official member of the Association of College Honor Societies (ACHS).

LPH represents what Aristotle described in *Rhetoric* as three ingredients of persuasion: logos (Lambda), meaning logic; pathos (Pi), relating to emotion; and ethos (Eta), defined as character credibility and ethics.

THE SIX GOALS OF LAMBDA PI ETA:

1. Recognize, foster, and reward outstanding scholastic achievement in Communication Studies
2. Stimulate interest in the field of Communication
3. Promote and encourage professional development among Communication majors
4. Provide an opportunity to discuss and exchange ideas in the field of Communication
5. Establish and maintain closer relationships between faculty and students
6. Explore options for graduate education in Communication Studies

The purpose of these six goals is to guide each chapter to study, promote, and further develop the Communication discipline. Every chapter should aim to connect each of its sponsored events, fundraisers, and other chapter functions to one or more of these goals.

ASSOCIATION OF COLLEGE HONOR SOCIETIES (ACHS)

According to the ACHS website (achshonor.org), the mission of the Association of College Honor Societies is to build a visibly cohesive community of national and international honor societies that promotes the values of higher education; fosters excellence in scholarship, leadership, service, and research; and adheres to the standards of honor society excellence.

Member societies of the Association of College Honor Societies are as diverse as knowledge itself. From business to physics, mathematics to music, these organizations exist for one primary purpose: to encourage and honor superior scholarship and leadership achievement.

The Association of College Honor Societies (ACHS), founded in 1925, is the nation's *only* certifying agency for college and university honor societies. Please visit the ACHS website for a wide range of resources, grants, and recruitment information.

NCA'S ANNUAL CONVENTION

The National Communication Association hosts its Annual Convention every November. The 2025 convention will be held in Denver, CO from November 20-23. The theme for the 2025 Annual Convention is “Communicate to Elevate.”

Every LPH member is encouraged to submit their paper to the LPH paper competition as well as to any other appropriate units of NCA. If the paper is accepted, the student is committed to attending that year's convention to present it in person.

LPH members who attend the convention - and are *also* NCA student members—are strongly encouraged to register for a convention volunteer shift in exchange for complimentary convention registration. Volunteer registration for convention is open only to NCA student members, and typically opens the second week of July. Please contact the National Office for specific dates if interested.

Please note: The LPH paper submission deadline is *always* the same as the general convention submissions deadline - which is subject to change. Please check online for the most up-to-date information (www.natcom.org/convention).

The Lambda Pi Eta Business Meeting is held at every Annual Convention. It is during the Annual Business Meeting that we confirm last year's meeting minutes, present the National Awards, elect new Student Advisory Board and Faculty Advisory Board representatives, and open the floor for discussion and vote on various agenda items. All members and officers are welcome and encouraged to attend.

Attending the convention is an excellent way to network and meet fellow members and scholars in the Communication discipline. If you are unable to attend the Annual Convention, you and your students should attend regional or local conferences to present papers or simply gain exposure to the conference process and environment. Many regional conventions have specific undergraduate conferences and/or poster sessions that provide LPH students with opportunities to present their superior work.

For more information on the NCA Annual Convention, please visit www.natcom.org/convention.

Future convention locations include:

- 2025—Denver, Colorado (November 20-23)
- 2026—New Orleans (November 19-22)
- 2027—Salt Lake City (November 18-21)
- 2028—Indianapolis, IN (November 16-19)
- 2029—Boston, MA (November 15-18)

THE CHAPTER

Every Lambda Pi Eta chapter must adhere to the Individual Student Membership and Academic Institutional Membership eligibility requirements as outlined in the [Policies and Procedures](#). For an institution to be eligible to host a Lambda Pi Eta chapter, it must:

- Grant baccalaureate or higher degrees
- Be accredited by the appropriate regional association
- Have an academic school, division, or department in the field of Communication Studies
- Offer a minimum of 30 academic hours in Communication and Communication-related courses

To charter a new chapter, first confirm that your institution meets these eligibility requirements. If your university or college meets these four requirements, the following items must be submitted to the National Office before Award Concepts can begin to prepare your framed chapter charter.

1. Completed Chapter Application Form
2. Proof of a Communication program that meets LPH requirements (generally a link to the course catalog)
3. \$100 chapter application fee (This covers the cost of the chapter charter and the chapter's first year of dues) payable by check (made out to NCA) or credit card (Visa, MC, Discover, AmEx)

MEMBERSHIP

To be eligible for individual Student Membership, a student must:

1. Have completed 60 semester credit-hours (90 quarter credit-hours)
2. Have a minimum overall cumulative GPA of 3.0
3. Have completed the equivalent of 12 semester credit-hours (18 quarter credit-hours) in Communication Studies
4. Have a minimum GPA of 3.25 for all Communication Studies courses
5. Currently be enrolled as a student in good standing, as determined by the institution's policies

To be eligible for admission, a master's student must:

1. Have completed 12 hours of graduate credit-hours (18 quarter hours) in Communication
2. Have a minimum cumulative GPA of 3.5

3. Currently be enrolled as a student in good standing, as determined by the institution's policies

HOW TO BECOME A MEMBER

While every chapter has different recruitment practices, every chapter must follow the Student Membership eligibility requirements detailed in the Policies and Procedures. *Any* student that meets these requirements may become a member of Lambda Pi Eta.

Each student must submit a membership application and pay a one-time \$30 membership fee, which covers their lifetime membership in LPH as well as a membership certificate and lapel pin from Award Concepts. Honor cords cost an additional \$10.10 per student. Once a student's membership certificate has been ordered through Award Concepts, the National Office receives the order confirmation along with the student's name, induction date, and email address. This information is copied from the Award Concepts order confirmation and recorded in the National Register. Once that membership certificate order is placed for each student, and the student is inducted on your campus, they become a lifetime member of Lambda Pi Eta.

ORDERING MEMBERSHIP CERTIFICATES, PINS, AND HONOR CORDS

To order materials through Award Concepts, follow the instructions below and consult Appendix E (the step-by-step ordering guide). By following these simple instructions, your order can be placed in minutes.

All LPH materials (certificates, pins, honor cords, etc.) must be ordered through Award Concepts:

1. Visit the Award Concepts website: <https://acgreek.com/greek/password.php>
2. Select "Lambda Pi Eta Chapters" from the drop-down menu
3. Log in using your chapter's assigned passcode.
4. Follow the step-by-step ordering guide (Appendix E) to successfully purchase your materials and induct new members.
5. Please always remember to proof your final certificates for inaccuracies (spelling errors, incorrect dates, etc.).

If you encounter any problems with the Award Concepts website, please use the Live Support link available on the web page or call Award Concepts at 800.659.7801 between the hours of 8 a.m. and 5 p.m. Central Time.

PLEASE NOTE: Award Concepts offers four different shipping speeds (USPS mail, FedEx/UPS Ground, 2-day, and overnight). Please place all material orders three-four weeks *ahead* of your "need by" date. If you will be paying by check, be sure to allow even more time. Award Concepts will not begin processing or shipping your order *until* your check has been received.

MEMBERSHIP EXPECTATIONS

NCA expects each chapter to strive for excellence and uphold the six goals of Lambda Pi Eta. Each chapter—at minimum—should: recruit members, order certificates and pins, hold an annual induction ceremony, elect officers, work to attend the NCA Annual Convention, and pay the annual \$35 chapter renewal fee by January 2 each year. Once again, these are the bare minimum, basic expectations held for each chartered chapter of Lambda Pi Eta.

Every chapter should aim to hold events that promote at least one of the six goals of LPH. Advisors should set high expectations for their members and should expect to actively guide students throughout each semester of their service. Both chapters and chapter advisors should endeavor to do the following:

- Hold at least one general chapter meeting per semester
- Plan at least one chapter event each semester (academic, philanthropic, or social)
- Communicate regularly with the National Office
- Facilitate career, research, and networking opportunities
- Communicate and venture to cross-program with your university or college's campus life, career center, other honor society, student club, and/or administrative offices
- Stay connected with chapter alumni

CHAPTER OFFICERS

As written in the LPH Policies and Procedures, chapters must elect officers. Recommended offices include the traditional leadership structure of President, Vice-President, Treasurer, and Secretary. Each chapter, however, may elect to install a differing leadership structure by majority decision of the chapter.

In addition, a faculty advisor shall be elected or appointed annually. The elections can be held at a chapter meeting by ballot. It is up to each chapter to specifically determine how its elections will be held. Officers should meet with their incoming successors at the end of their term to ensure continuity of the position and a smooth transition from year to year.

If a new advisor is appointed, it is important to notify the National Office immediately so that our records for your chapter can be updated accordingly.

Duties of Office

Each officer may have the following responsibilities:

- President, or alternative officer: shall announce all meetings, preside in the conducting of business, and actively promote the purposes of Lambda Pi Eta in the university community.
- Vice President, or alternative officer: shall be responsible for special programs and projects and serve in the absence of the President.
- Scholarship Officer, or alternative officer: shall be responsible for encouraging academic excellence and stimulating intellectual inquiry among the members through

activities such as inviting guest speakers, informing members of opportunities for involvement in professional associations, recruiting new members, and presenting any local chapter awards for outstanding contributions.

- Treasurer, or alternative officer: shall be responsible for collecting annual chapter dues, collecting membership dues, establishing a yearly budget, disbursing funds for appropriate organizational expenses, and accounting for all funds; and
- Secretary, or alternative officer: shall keep a complete set of minutes of the business of the chapter, deposit the minutes with the faculty advisor at the expiration of their term in office, assure adequate media coverage of the chapter's activities, build a social media presence for the chapter, and keep a record of all chapter activities.

Terms of Office

Officers shall be elected for terms of *one* academic year. All officers shall be elected from and by the members at the last regular meeting of the academic year and shall assume the duties of their respective offices at the end of the current semester during which they were elected. If an officer is scheduled for winter graduation, elections can also be held mid-year, or as necessary to replace any outgoing officers.

Inability to Serve

If an individual is elected to office but cannot complete the term, they are to be replaced by an election of the current membership.

Committees

The President, or alternative officer, may appoint such committees as shall be appropriate for furthering the purposes of Lambda Pi Eta.

CHAPTER ACTIVITIES

Every chapter is encouraged to develop, plan, and implement chapter events individually or in collaboration with other clubs or honor societies on their campus, as well as other Lambda Pi Eta or Sigma Chi Eta chapters in the region.

Visit the Chapter Activities page online (www.natcom.org/student-organizations/lambda-pi-eta/lph-chapter-activities) to view a wide array of potential activities and events for your Lambda Pi Eta chapters to plan and host.

Ideally, a chapter should attempt to have one social, one philanthropic, and one academic event per each academic year. As your chapter grows, you may even be able to do one of each type of event per semester.

Many experienced chapter advisors suggest that you establish an annual event that serves as the chapter's primary recruitment event and is aimed at maximizing visibility and interest in your department. Planning and scheduling is important to ensure both student and faculty participation. You may want to consider partnering with other clubs or honor societies, as well as plan around upcoming campus-wide events or activities.

Some event suggestions include:

Social:

- Host alumni for panels and/or mixers
- EXAMPLE: The Alpha Beta chapter at the University of Hartford hosts an Annual Career Mixer to bring alumni working in Communication back to campus to network and speak about their experiences.
- Organize a Communication-themed film series, with post-film discussions and analysis

Philanthropic:

- Conduct fundraising efforts for local and/or national charitable organizations
- EXAMPLE: The Kappa Iota chapter at the University of San Francisco holds bake sales each semester on their campus quad. They sell home-baked pies, and each customer receives a sticker that reads "I ate pie with Lambda Pi Eta!" and gets to vote for one of three local charities to receive all proceeds.
- Plan community service projects or drives (i.e., food drives, toy drives, blood drives)
- EXAMPLE: The Alpha Mu chapter at the University of Kansas hosted a supply drive for items needed by the Sexual Trauma & Abuse Care Center in Lawrence, KS.

Academic:

- Create tutoring or mentoring programs that pair students with other students or faculty members
- **Example:** The Gamma Zeta chapter at Purdue University created a mentorship program in which upperclassman LPH members were paired with freshman Communication Studies students in the department to ease their adjustment and help them advance their studies and focus in Communication.
- Host resume writing or interview skills workshops
- **EXAMPLE:** The Pi Mu chapter at the University of Houston-Downtown hosted a three-part series that brought experts in from across the department and campus to speak to students. The first session covered resume writing skills, the second covered interview preparation, and the third covered selling you and your story to prospective employers.
- Participate in local/regional conferences
- Sponsor midterms and/or finals study groups and organized study breaks
- Watch political debates
- Organize group research projects to improve students' research skills and understanding of research methodologies
- **EXAMPLE:** Members of the Gamma Zeta chapter at Purdue University traveled to the 2016 Iowa Caucus and conducted polling related research in partnership with C-SPAN.

Recruitment

Some common recruitment practices include:

1. Email eligible students – or all students on a Communication Dept. distribution list – an invitation to apply for LPH membership
2. Ask current LPH members to forward the application to friends and peers
3. Design and post flyers and brochures in dorms, department offices, and lobbies
4. Create a Facebook page and Twitter account to maintain a social media presence, engage with other departmental and institutional accounts, and increase awareness among potential members
5. Make announcements about LPH membership ahead of/during your classes

Please review the following sample forms. The sample invitation letter, application form, and membership form are all templates that can be customized to your chapter and institution and distributed as desired.

CHAPTER FINANCES

NATIONAL MEMBERSHIP FEES

There are three types of required national membership fees.

1. The LPH Chapter Application Fee—\$100
 - This application fee is necessary to charter a new chapter. This fee covers the cost of the framed chapter charter and the chapter's first year of membership dues.
 - This fee can be paid by check or with credit card. NCA does not accept Purchase Orders.
2. The LPH Chapter Renewal Fee—\$35
 - This renewal fee is due by January 2 each year and is requisite to keep a charter active. If the fee is not paid by January 2, the chapter will lose access to the Award Concepts LPH Online Store until its payment has been received and processed.
 - If the chapter fails to make renewal payments for more than two consecutive calendar years, the chapter charter will expire, and a new application and application fee must be submitted.
 - This fee may be paid by check or credit. NCA does not accept Purchase Orders.
3. The LPH Student Membership Dues—\$35
 - The one-time \$30 student membership dues must be paid to the chapter prior to induction. This one-time fee covers lifetime membership in Lambda Pi Eta and a membership certificate and lapel pin from Award Concepts.
 - This fee is NOT paid directly to the National Office. Instead, THIS FEE IS PAID TO AWARD CONCEPTS. The payment is made online—by either check or credit card—while ordering certificates and pins. Please note, any student membership dues mailed to the National Office will be returned.
 - Award Concepts accepts either checks or credit cards. Award Concepts does not accept Purchase Orders.

CHAPTER MEMBERSHIP FEES

Each chapter is permitted to add additional fees or to increase chapter membership dues to pay for events, socials, trips, or other sponsored activities.

For example, your chapter could require \$40 instead of the traditional \$35. \$35 would still go toward the membership certificate purchases through Award Concepts, but the additional \$5 from each inductee could be placed into a pool of funds used as necessary for approved chapter events. Chapters dues are capped at \$60. Chapters may only charge at most \$25 more than the traditional \$35 fee for the membership certificate.

APPENDIX B: SAMPLE INDUCTION CEREMONY SCRIPT

The following is a sample script for a Lambda Pi Eta induction ceremony. Please feel free to use it as a guide and adapt it to meet the individual needs of your chapter. Many chapters will invite a keynote speaker such as a faculty member, dean, administrator, or individual outside the university or discipline.

ROOM SET-UP: *Chairs are arranged theater style with a center aisle. A table is in the front of the room with three candles. To the right is a podium for speakers and to the rear of the room is a table for refreshments. Greeters meet people at the door with a program and any other handouts.*

Faculty Advisor: I would like to begin by welcoming everyone to the Lambda Pi Eta (*your chapter*) Induction ceremony. First, it is my pleasure to introduce to you the chapter officers and our special guests (*make a list of chapter officers and any special guests*).

President: The name Lambda Pi Eta is represented by the Greek letters L (lambda), P (pi), and H (eta) symbolizing what Aristotle described in his book, *Rhetoric*, as the three modes of persuasion: Logos meaning logic, Pathos relating to emotion, and Ethos defined as character credibility and ethics. The candle lighting ceremony will further describe each of the meanings behind these Greek letters.

Lambda Pi Eta was founded by the students of the Department of Communication at the University of Arkansas and was then formally endorsed by faculty member and founder Dr. Stephen A. Smith in 1985. The Speech Communication Association—now the National Communication Association—established Lambda Pi Eta as an affiliate organization and as the official national honor society for outstanding students in Communication in 1994. In February 1996, Lambda Pi Eta was inducted into the Association of College Honor Societies. Today, there are more than 450 chapters of Lambda Pi Eta nationwide.

Now I would like to ask all new inductees to please assemble in the rear of the room, and for faculty and Lambda Pi Eta chapter officers to please come to the front of the room and form the receiving line. (*Faculty should be at the front left side of the room and officers at the front right side of the room. New members should be lined up alphabetically in the back of the room.*)

Chapter Officer #1: The first mode of persuasion is logos, or logic. In all aspects of scholarship and its application to one's life, logic plays a major role in deliberations and problem solving. (*Light first candle*)

Chapter Officer #2: Pathos, or emotional appeal, the second symbol of our organization's title, encompasses a driving force that makes an organization vital and effective. (*Light second candle*)

Chapter Officer #3: The last mode of persuasion is ethos, or character credibility and ethics. Aristotle sees character credibility as a primary means of effecting change in society and in one's life. Thus, it is appropriate that ethos is a major symbol of Lambda Pi Eta and its six goals. (*Light third candle*)

Chapter Officer #4: The purpose of the Honor Society, according to the national Policies and Procedures, is:

1. To recognize, foster, and reward outstanding scholastic achievement
2. To stimulate interest in the field of Communication
3. To provide an opportunity to discuss and exchange ideas in the field of Communication
4. To promote and encourage professional development among Communication majors
5. To establish and maintain close relationships and mutual understanding between faculty and students
